

## ROXANNE'S LAW: Bill C-510

### Protecting Women from Coerced Abortions

This Private Members Bill would make it a criminal offence to coerce a woman into having an abortion.

Coercion is abusive and often leads to violence. **Roxanne Fernando** was murdered by her boyfriend after she refused to have an abortion.

Bill C-510 would give a woman legal recourse against coercion before it is too late for her.

Help protect a woman's right to choose to keep her baby.

## Stewardship is Discipleship

We can hear God speaking to us today in the words of the father to his elder son: "You are with me always, and everything I have is yours. "What is my response to such remarkable generosity? Do I give joyfully and generously as God gives to me?"

See Luke 15:31

Please contact the office, ext. 5. Come and see the atrium.
