Catholic Family Services of Toronto serves hundreds of women and children annually. We also work with partners who are abusive, helping them to understand and change their violent behaviour.

In 2003, a mere 3,000 households had access to Salt + Light. Today, that number has surpassed 1.5 million. With over 13 million Catholics in Canada, we still have a long way to go.

If you do not receive us, please take a moment to call or write to your cable/satellite provider to let them know you want access to Salt + Light.

You can order Salt + Light TV through either of the following service providers:

Bell TV

Serving all of Canada on Satellite **Channel 654**

Rogers Digital Cable

Serving most of Ontario – Toronto (GTA), London, Ottawa, Kitchener-Waterloo, etc. on **Digital Channel 240**

Cogeco Digital Cable

Serving only – Burlington, Oakville, Lindsay, Parry Sound, Huntsville and parts of the Hamilton and Halton areas on **Digital Channel 185**

Join Fr. Thomas Rosica as he interviews Salesian Fr. Michael Pace, trained as a civil lawyer and now serving as pastor in one of Toronto's largest parishes. Fr. Pace speaks of his membership in the Religious Congregation founded by Don Bosco, and his great hope for the Church and young people today.

Fully Human, Fully Equal

Science proves that human life begins at conception (fertilization) when a genetically unique human being comes into existence, with his own genetic code. A fully-formed miniature baby with all his parts can be seen at 7 weeks. Since the unborn is fully human, ending abortion is the social justice issue of our day.
