WORKING WONDERS FOR FAMILIES...

When Mary came to Catholic Family Services (CFS) of Dufferin-Peel, she was overwhelmed and had a bleak outlook at her future. A victim of domestic violence, the single mother of three was also struggling to cope with behavioural issues from her eldest son. Mary and her son were given counselling and support by CFS. Today, Mary is a more confident woman and she and her son are closer than ever. In 2009, ShareLife's network of Catholic Family Services offices helped 116,389 people deal with stress, anxiety, mental illness, domestic violence and troubled relationships.
