## TORONTO ARCHDIOCESAN PILGRIMAGE

### 50<sup>th</sup> International Eucharistic Congress

Motivated by the very profound experience of the last Eucharistic Congress in Quebec 2008, the Toronto Diocese is once again inviting participation in the upcoming congress to be held in **Dublin, Ireland in June 2012**.

The invitation is open to all for an event which will be a memorable one, drawing each participant into a deep and intimate relationship with Jesus in the Eucharistic. The rich biblical, liturgical and catechetical program provided in the Congress will be further enhanced by unique opportunities for the Toronto Diocesan delegates to pray and dialogue together at a gathering in preparation for the Congress, during the Congress and also at a follow up meeting. This will enable us to share the impact of the Eucharistic Congress experience together, with the goal that the fruits of the event further enrich our home parishes and communities on return.

## From the Heart of Don Bosco

Choose your friends and companions among the people who are known to be good; in fact, choose the best among them. As you associate with them, imitate the best in them and avoid their shortcomings; we all have those.

## Pastoral Ministry to Young People with Same-Sex Attraction

*Excerpt from Episcopal Commission  
for Doctrine of the Canadian Conference  
of Catholic Bishops*

#### Human Dignity of All Persons

In the eyes of the Church, every human person is a unique and irreplaceable gift created by our loving God and called to be his son or daughter. Created in the image and likeness of God and redeemed by the blood of Christ, every person possesses an intrinsic dignity which must always be respected. The Catechism of the Catholic Church affirms that persons with homosexual inclinations "must be accepted with respect, compassion and sensitivity. Every sign of unjust discrimination in their regard should be avoided. These persons are called to fulfill God's will in their lives.

We exhort all those exercising a ministry in the Church or working in the pastoral care of young people to be especially careful not to perpetuate injustice, hatred or malice in speech or action – unfortunately still too common among us – against persons with homosexual inclinations.

We wish to stress that, although sexual identity helps situate the person as a unique individual, the human person "can hardly be described by a reductionist reference to his or her sexual orientation."

Those with same-sex attraction are first and foremost human beings, our brothers and sisters in Christ. Because of their inherent dignity, they always deserve our respect. By fostering this profound esteem we imitate the Good Shepherd's love for his flock.
