

## The New Translation

### What New Translation?

Did you know that the translation of the Mass which we currently use is going to change? The texts we have now have been in use since 1970 and on November 27, 2011, churches throughout North America will begin to use a new translation. This moment in the life of the church provides us with an opportunity to learn more than just words that are a little different than what we're used to. It is a chance for us to reflect on the celebration of the Eucharist and how it relates to our own life.

### Whose Idea was it Anyway?

Until the early 1960s, Mass was celebrated in Latin throughout the world. At the Second Vatican Council, in the early 1960's, it was agreed that Mass could be said in the language of the people where it was being celebrated. There would be no fundamental change to the Mass itself, just the language being used. This would enable us to understand more fully what was being said and help us to participate more fully.

An English translation was made available as quickly as possible, but it was intended to be temporary. A more considered translation would be issued later. Now, some 40 years later, this translation has been approved by the Vatican and we will begin using it in our parishes on the weekend of November 27. Until that time, we will have the chance to learn more about the new translation, become familiar with some of the changes and reflect on the Eucharist in our own lives.

In addition to discussing the new Roman Missal in homilies, pulpit announcements and in our parish bulletin, the Archdiocese of Toronto also has extensive resources online for those who wish to learn more. Visit [www.archtoronto.org/romanmissal](http://www.archtoronto.org/romanmissal) anytime to continue your reflection.

**PLANNING TO BE A CATHOLIC TEACHER?**

It is critical for you to know that to be hired to teach in any Catholic School Board in Ontario as part of your application for employment there must be a letter of reference from your pastor. If you, or your adult child, are planning to apply to teach in a Catholic School, contact with the pastor before Thanksgiving is highly recommended. Please plan to have a conversation with your pastor early in the process and you will avoid disappointment and stress at a time when applications are to be submitted.
