SAFE ENVIRONMENTS TRAINING SESSIONS

In order for us to do all that we can to provide a morally and spiritually safe environment for everyone who comes our way, both the Archdiocese of Toronto and the Salesians of Don Bosco have established policies that set standards for our behavior and even for our facilities.

Every person who is actively involved in any Church or Salesian sponsored program or activity must *annually* receive training in these policies.

This week, group leaders received a list of training dates to email to their group members. Check your email for it. If you don't use email, your group leader will contact you by phone. There are multiple training dates to choose from in late summer beginning August 25.
