Working wonders for those who need help in our neighbourhood...

“What an ambassador for Mary Centre he was, and Gord was really tickled to be chosen for this role as co-speaker.” said Dominic Conforti, retiring Director at Mary Centre. Gord, who is intellectually challenged, shared his story at the 2014 ShareLife Golf tournament about how he and his two brothers came to be part of Mary Centre. He spoke about Christina who helps them during the day involving them in activities in the community and teaching them to do things for themselves. Then there was James who is with them on the weekends and helped them grow a veggie garden every spring and summer and the pride they feel when they pick their vegetables. Last year, over 2,300 people with special needs received the compassion and care they needed to enjoy their life and be productive in their homes and communities.

**Thank you for your generosity.
Together we can work wonders!**

**THE POPE’S PASTORAL WORKS
MAY 31, 2015**

Whenever a natural disaster occurs somewhere in the world, other countries rush to provide assistance in the form of food, water, medical supplies, blankets, money and trained personnel. The Holy Father also participates in giving financial assistance to people in need. The proceeds from the annual collection for the Pope’s Pastoral Works are used to help finance these relief efforts. Please be as generous as you can as we never know when or where such a need will arise.

Next weekend’s second collection is the annual diocesan collection. Envelopes are in the pews today. Sunday envelope users kindly enter your envelope number in the space indicated.
