

September 2011

Dear EDGE/LIFETEEN Core Applicant,

Thank you for your interest in serving St. Benedict's Salesian Youth Ministry, Edge and Lifeteen. This program ministers to our middle/high school students and their friends. The purpose of this program is to share our Catholic faith in a welcoming, fun environment while ministering to the whole child. Our intent is to address the educational, psychological, social and emotional needs of the middle school child all while keeping the spirit of Don Bosco alive!

With World Youth Day having just past, let this be a great reminder of how important it is for us to keep our relationships strong with the younger students, and to develop our own faith life in the process.

Kids at this age are in a transitional stage, moving from dependence toward independence, being both excited and fearful about this new stage in their development. Research indicates that supportive relationships with adults can be a very positive and rewarding experience for kids at this age. Our Core Team provides this experience for our middle schoolers. This is what some of the youth had to say about their core leader... "My Core leaders are sooo cool"... "My leaders are so fun and we get to talk about important faith stuff."

This is a fun and meaningful ministry and we'd love to have you join the team! Please refer to our website for information about core team responsibilities. If you have any questions, please contact Foster Kwon.

Please complete the attached information form and return it to the parish office.

May God bless you and your family and we look forward to seeing you this year!

Foster Kwon
Youth Activities Coordinator
