

IX. Dress

The Church is the House of God. Christian modesty is necessary. Brides, attendants, and ceremony participants (lectors, gift bearers) must wear a shawl or jacket during the wedding ceremony if their dress is strapless, backless or with deep V frontals.

THE **VEIL** IS NOT A COVERING.

X. Church Hall

The church hall is **NOT AVAILABLE** as it is used for other parish activities.

XI. Flowers

Flowers are the responsibility of the bride and groom. Please use good judgment as excessive arrangements and arches are not permitted. The wedding coordinator will contact the florist to arrange a delivery time. Please inform the florist that this time is to be strictly adhered to, as the church **WILL NOT** be open if the flowers are delivered early.

Phone numbers of other brides may not be given out by the parish staff. Please do not ask the office administrator for them.

If you wish, flowers may be left in the Church as an act of thanksgiving, or you may take them to your reception.

XII. Runners

All runners are prohibited as they can be very dangerous on our terrazzo floor.

XIII. Horn Blowing and Confetti

For safety reasons, horn-blowing, confetti, rice, and other items are **NOT** permitted.
