

II. The Process

As is true with all-important matters, there is a procedure that must be respected to make your day a reality on both the practical and spiritual level. Please read the following carefully and if you have any questions, contact the parish administrator, Annette Bancheri.

- a. Contact the parish office to obtain initial marriage request information.
- b. The Archdiocese of Toronto requires one year's notice of your intention to marry to ensure that you have adequate time for proper preparation necessary for marriage.
- c. If either of you has been married before, whether in or out of the Catholic Church, NO DATE can be set until you have discussed this fully with the pastor. Canon law clearly states that marriage arrangements CANNOT proceed until all matters arising from previous marriages have been settled.
- d. If you have received a DECLARATION OF ANNULMENT from the Church, you are required to provide documentation confirming this. A wedding date cannot be set until permission is obtained from the Chancery Office.
- e. You are required to provide a copy of your **BAPTISMAL CERTIFICATE** ISSUED NO MORE THAN **SIX MONTHS PRIOR TO YOUR MEETING WITH THE PRIEST**. This is to ensure that no previous marriage has taken place in the Roman Catholic Church. Please request this certificate from the parish church where you were baptized. If you encounter problems, please notify our parish office.
- f. Even when a wedding date has been established, this date is tentative. Your marriage on that date is not guaranteed; it is conditional upon you getting all the prerequisites done in a timely fashion. This includes the successful completion of a **MARRIAGE PREPARATION COURSE**. In the Archdiocese of Toronto, this course is *mandatory*. It is your responsibility to call and make a booking as soon as the wedding date is set. A *Certificate of Completion* must be presented to the parish administrator before your wedding.
